Present:

Dr. Gerd Heuschmann, World renowned veterinarian, Bereiter (master trainer), and author on his **USA Spring Tour**. We will be hosting two Symposium days consisting of AM Lecture and PM Training rides.

“Biomechanics of the Horse as an Athlete”

Saturday, May 16th & Sunday, May 17th in Ledyard, CT

Riders & Auditors of all disciplines are welcome!

Dr. Heuschmann was based at the Warendorf Veterinary Clinic associated with the German National Riding School. He has an extensive background as a treating veterinarian in the Olympic disciplines of dressage, show jumping and eventing and as a rider who applies a thorough understanding of the biomechanics of movement in the development of our equine athletes. A highly respected international lecturer, Dr. Heuschmann educates equestrians on how to make the sport of riding better for the horse.

Dr. Heuschmann has dedicated himself to presenting equestrians with impactful tools with a classical foundation to help the horse develop with more natural, powerful and sustainable movement. His lecture ***‘Biomechanics Of The Horse As An Athlete’***, supported and presented with scientific evidence has been an eye-opener and game changer for both riders and horses worldwide. Morning lecture followed by 4 training rides each afternoon.

Dr. Heuschmann’s books will be available for signing at the event.

We would like to thank our sponsors! **Back On Track USA**
